The Kit & Pup World Adventure Series

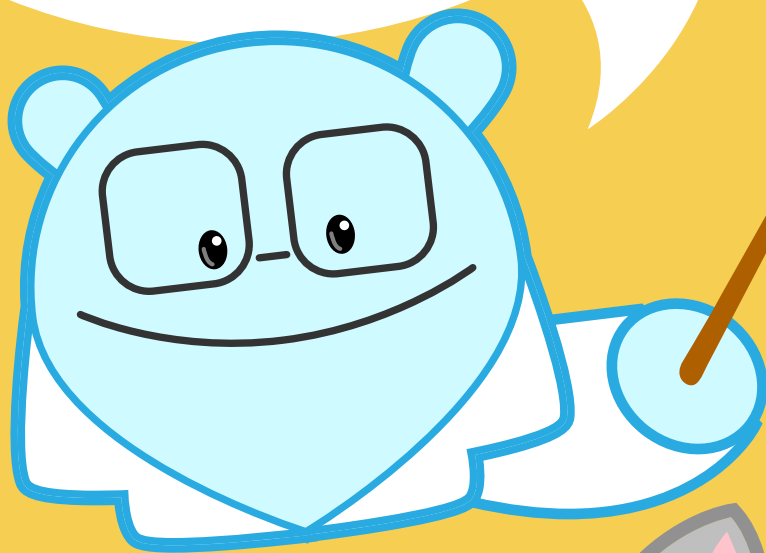

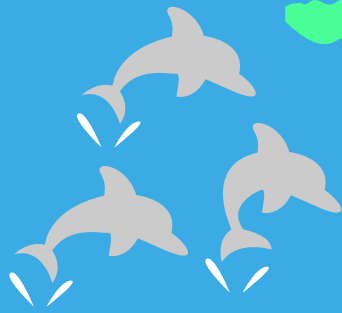

This is the Earth,
where we live on.

Let us divide the Earth into
two halves, then squash
them. Look! This is the map
which we always see.

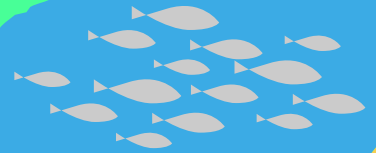

**Pacific
Ocean**

**North
America**

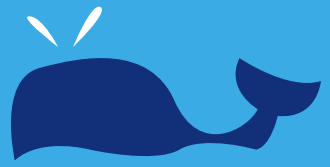

**Atlantic
Ocean**

**South
America**

Look! There are lands and oceans on our Earth. They all have their own names. They are called the Seven Continents and the Five Oceans. Let's learn more about them!

Arctic Ocean

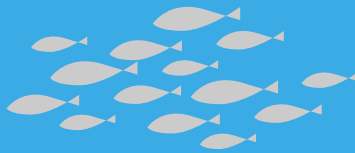

Europe

Asia

Pacific Ocean

Africa

Indian Ocean

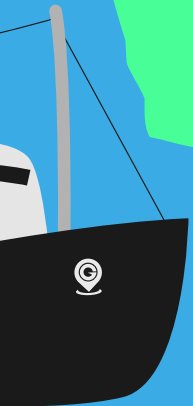

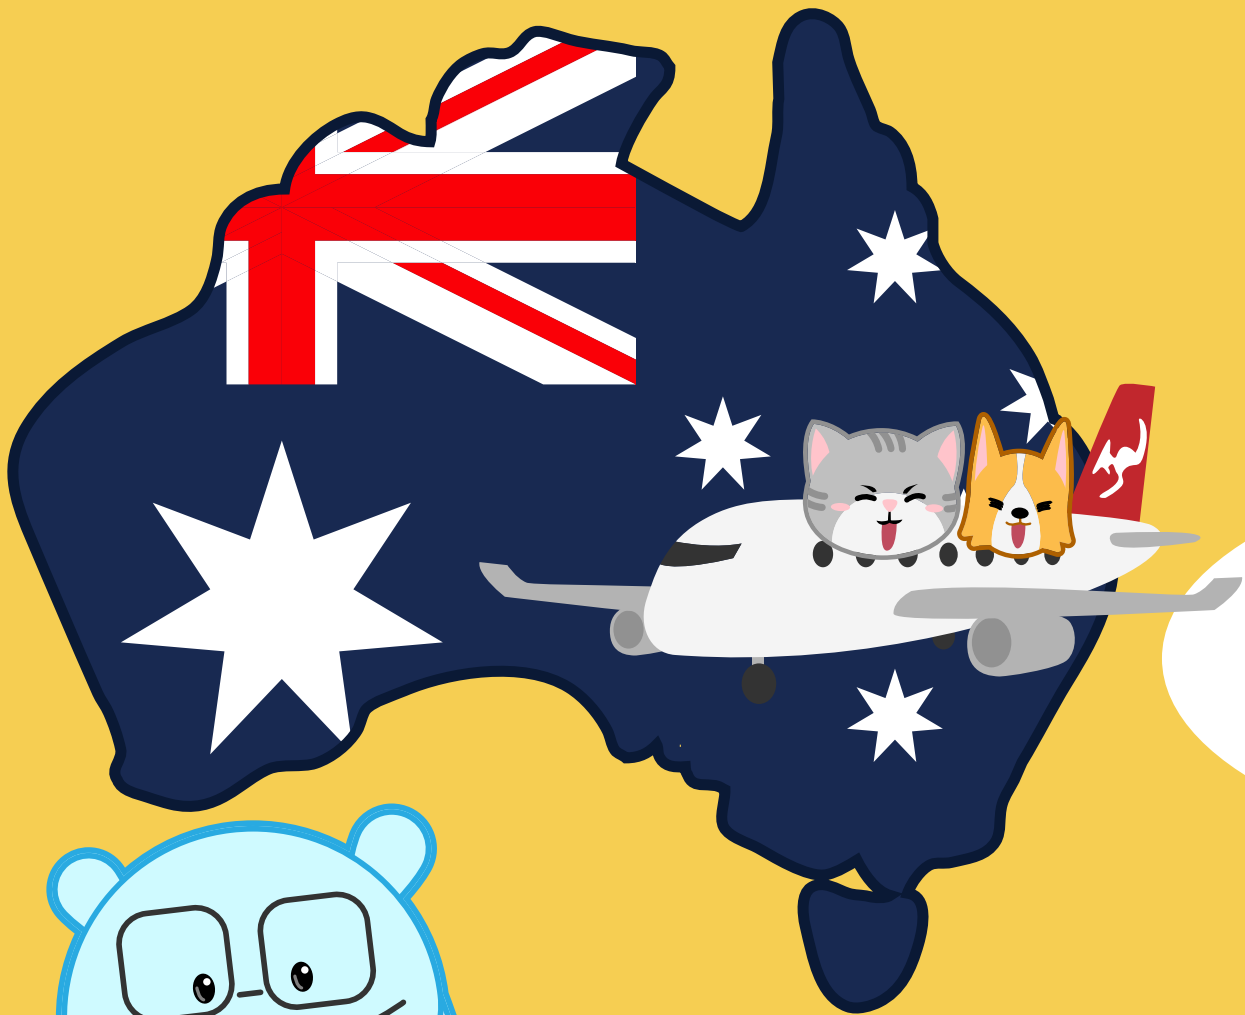

Australia

Antarctic Ocean

Antarctica

We arrive at Australia! Kit and Pup are taking part in the World Citizen Challenge. Australia is the first country for mission.

Indigenous people and people of different races live together in Australia.

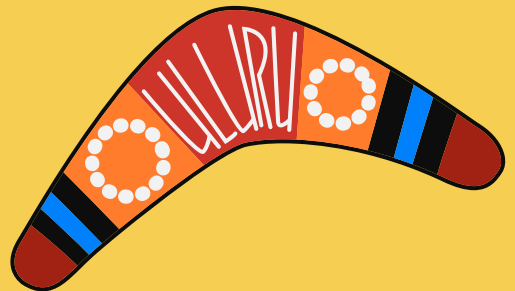

Indigenous People

They are a group of people who live in one place since earlier period.

Boomerang

It is a piece of wood that could be thrown and returned to its thrower. It is famous for being the hunting weapon of Indigenous people in Australia. Now it becomes a type of sports.

There are a lot of characterized buildings and beautiful natural sceneries in Australia.

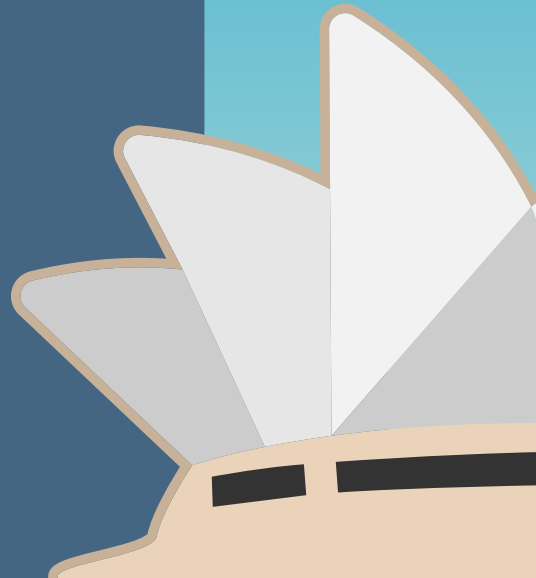

Sydney Tower

It is the highest building in Sydney's business area. With the height of 305m, you can't miss it when travelling in Sydney!

Sydney Opera House

It is the landmark of Sydney, one of the World Cultural Heritages. It is well known for its sail shape. Let's go and see it!

Pondi Beach

It is one of the most famous beaches in Australia, which is located near the urban area of Sydney.

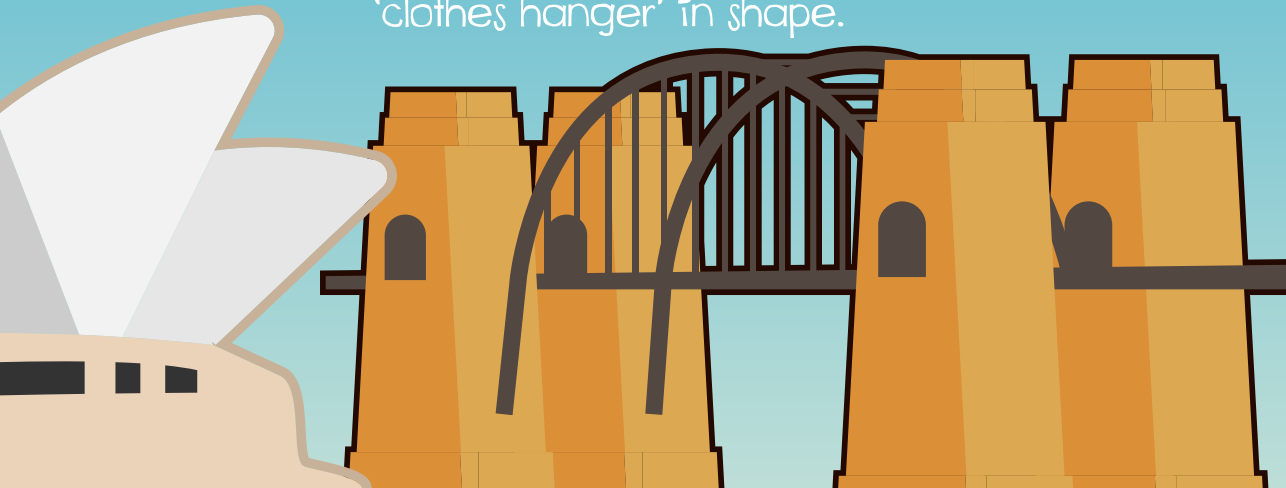

Uluru

It is Australia's major natural landmark and the second biggest rock in the world. Indigenous people there regard it as their sacred place.

Sydney Harbour Bridge

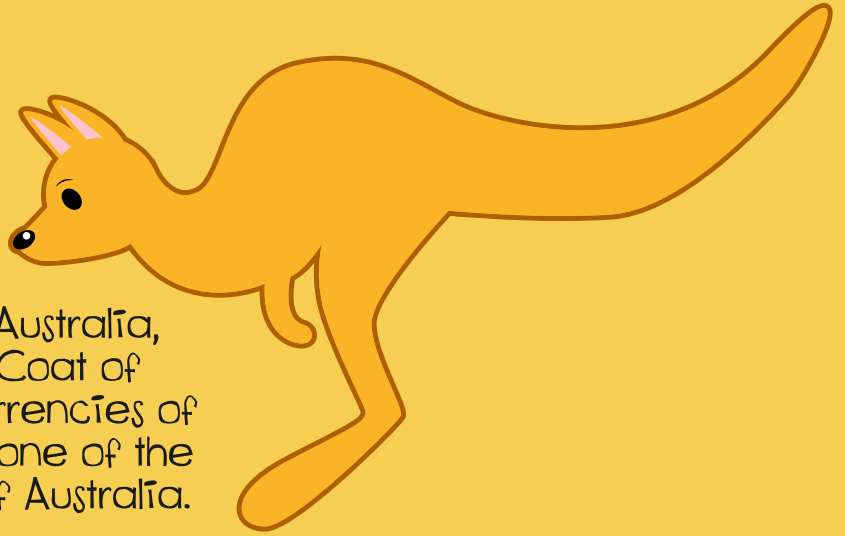

It is the first main bridge of Australia, crossing the Sydney Harbour and the city's Northern Coast. It is well known for looking like a 'clothes hanger' in shape.

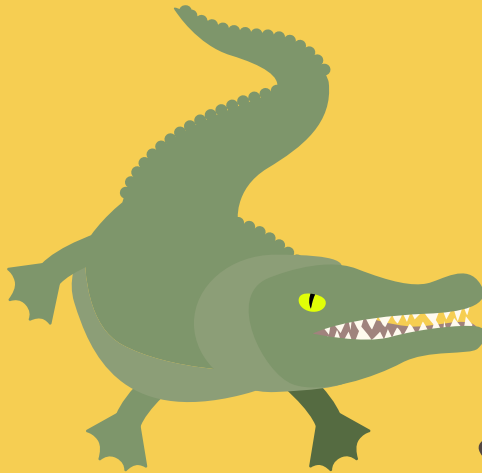

There are a lot of enriched natural resources and special animals in Australia! Let's meet them!

Kangaroo

It is the symbol of Australia, appearing on the Coat of Arms and some currencies of Australia. It is also one of the national animals of Australia. And also...

Koala

**Saltwater
crocodile**

Platypus

It includes a shield with symbols of Australia's six states, with a kangaroo and an emu, the two native animals of Australia.

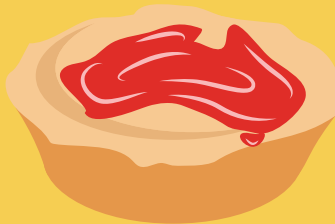

Although Australia is an independent country, the Queen of the United Kingdom is now its head of state, probably because Australia was once a British colony in the past.

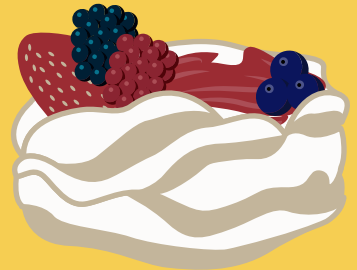

There is also a lot of local food in Australia:

**Vegemite
Toast**

Meat Pie

Pavlova

Little Challenge 1

Name: _____

Date : _____

1. Draw lines to match phrases with their compatible pictures.
